My dear Dr. Baur:

At the request of Mrs. Agnes Baldwin Brett, I am sending you the original photograph and half-tone cut of the pointed-eared goddess used in Mrs. Brett's article on the coins of Lampsakos. You are at liberty to use either, and if you would care to do so, you can credit the American Numismatic Society with the loan of this material. We should appreciate the return of both the cut and the photograph when you have finished with them.

Very truly yours,

Curator.

Dear Mr. Wood,

Thank you and Mrs. Brett  
ever so much for the use of the photograph  
of the female rat<sup>r</sup> which arrives safely this  
morning. Your letter refers also to a half-tone  
cut of the photo. The latter was not included  
in the package. As soon as I have a repro-  
duction of the photograph made I shall return  
it to you. I shall be glad to give credit to the  
Am. Mus. Soc. for the loan of the photo.

Very sincerely yours

P. V. C. Baur
